

# Stronger, healthier, happier

APM is committed to enabling better lives for New Zealanders of all ages, including tamariki.

Our team of experienced professionals provide services to help reduce the functional impact of illness, injury (physical and/or psychological), disability and developmental delay.

APM supports tamariki to reach their full potential.

for tamariki

# How we support young New Zealanders

We work with tamariki in their home, community or educational settings.

Our therapists work with tamariki who have sensory, motor, communication, learning and behavioural difficulties to enable them to do the things they want and need to do as part of everyday life.

Including:

- ✓ mobilising
- ✓ fine and gross motor coordination
- ✓ personal cares, sleep, toileting, dressing, eating and drinking
- ✓ attention, learning and behaviour at home, kindy, school
- ✓ participation and social skills
- ✓ language and communication skills
- ✓ equipment and environmental adaptations

## Your multi-skilled team

When you choose APM, you gain access to highly skilled, experienced paediatric therapists who are dedicated to delivering excellent service. Our team includes:

- ✓ occupational therapists
- ✓ speech and language therapists
- ✓ physiotherapists
- ✓ nurses
- ✓ psychologists
- ✓ child development coaches
- ✓ dietitians

## Give them the best start

Contact us today for a confidential discussion about your tamariki's needs.
